

October Outing

On Saturday, October 28 we are planning to visit St Johns Conservation Area in Fonthill. We plan to meet at Tim Hortons, 275 Geneva St at 9:00 am and car pool to the site located at 3101 Barron Road in Fonthill. For more information on this area “google” St John’s Conservation Area Fonthill.

For the November outing we are considering a visit to the Canadian Raptor Conservancy near Port Dover. This outing will require a **commitment** from at least 12 participants. More information to follow in a week.
