A Message from The President

Everybody can be great, because anybody can serve. You don't have to have a college degree to serve. You don't have to make your subject and your verb agree to serve...You don't have to know the second theory of thermodynamics in physics to serve. You only need a heart full of grace. A soul generated by love.

--Martin Luther King

I want to thank you for the opportunity to serve as president for the Club. It has been an expansion of my talents and I thank-you. We have a great club and it is due to the efforts of our volunteers. Some of you served on the Executive and some made sure they were there to support and cheer on their fellow photographers. I truly appreciate the gift of your time and talents. Many a time you have come to my rescue and I want you to know it was noticed.

We are on the lookout for new members for the Executive. This will be my 4th and last year. Please invest in the club. Your time is always appreciated. It makes the work load lighter and a lot more fun when it is shared.

When we dream alone, it is only a dream, but when we dream together, it is the beginning of reality.

--**Author unknown**

Please share your time and talents. You will be amazed at the results.

Hot dogs and buns supplied by the Club's funds. If you have anything else please feel free to let me know.

I will be in touch through my email theshining000@gmail.com where I will be sending out reminders closer to the date **Saturday June the 17th.**

On the following pages I have shown photos from the past years which I hope you will enjoy.
